d. Increase in the Assigned Special Tax and Backup Special Tax

On each July 1, commencing on July 1, 2007, the Assigned Special Tax and the Backup Special Tax shall be increased by an amount equal to two percent (2%) of the amount in effect for the previous Fiscal Year.

e. Multiple Land Use Classes

In some instances an Assessor's Parcel of Developed Property may contain more than one Land Use Class. The Maximum Special Tax that can be levied on an Assessor's Parcel shall be the sum of the Maximum Special Tax that can be levied for all Land Use Classes located on that Assessor's Parcel. For an Assessor's Parcel that contains both Residential Property and Non-Residential Property, the Acreage of such Assessor's Parcel shall be allocated to each type of property based on the amount of Acreage designated for each land use as determined by reference to the site plan approved for such Assessor's Parcel.

2. **Undeveloped Property, Taxable Public Property, and Taxable Property Owner Association Property**

a. Maximum Special Tax

The Fiscal Year 2006-07 Maximum Special Tax for Undeveloped Property, Taxable Public Property, and Taxable Property Owner Association Property in IA B shall be \$28,641 per Acre.

b. Increase in the Maximum Special Tax

On each July 1, commencing on July 1, 2007, the Maximum Special Tax for Undeveloped Property, Taxable Public Property, and Taxable Property Owner Association Property shall be increased by an amount equal to two percent (2%) of the amount in effect for the previous Fiscal Year.

D. **METHOD OF APPORTIONMENT OF THE SPECIAL TAX**

Commencing with Fiscal Year 2006-07 and for each following Fiscal Year, the Council shall determine the Special Tax Requirement and shall levy the Special Tax until the total Special Tax levy equals the Special Tax Requirement. The Special Tax shall be levied each Fiscal Year as follows:

First: The Special Tax shall be levied on each Assessor's Parcel of Developed Property in an amount equal to 100% of the applicable Assigned Special Tax;

Second: If additional monies are needed to satisfy the Special Tax Requirement after the first step has been completed, the Special Tax shall be levied Proportionately on each Assessor's Parcel of Undeveloped Property at up to 100% of the Maximum Special Tax for Undeveloped Property;

Third: If additional monies are needed to satisfy the Special Tax Requirement after the first two steps have been completed, then the levy of the Special Tax on each Assessor's Parcel of Developed Property whose Maximum Special Tax is determined through the application of the Backup Special Tax shall be increased Proportionately from the Assigned Special Tax up to the Maximum Special Tax for each such Assessor's Parcel;

Fourth: If additional monies are needed to satisfy the Special Tax Requirement after the first three steps have been completed, then the Special Tax shall be levied Proportionately on each Assessor's Parcel of Taxable Property Owner Association Property at up to the Maximum Special Tax for Taxable Property Owner Association Property;

Fifth: If additional monies are needed to satisfy the Special Tax Requirement after the first four steps have been completed, then the Special Tax shall be levied Proportionately on each Assessor's Parcel of Taxable Public Property at up to the Maximum Special Tax for Taxable Public Property.

Notwithstanding the above the Council may, in any Fiscal Year, levy Proportionately less than 100% of the Assigned Special Tax in step one (above), when (i) the Council is no longer required to levy the Special Tax pursuant to steps two through five above in order to meet the Special Tax Requirement; and (ii) all authorized CFD No. 5 Bonds have already been issued or the Council has covenanted that it will not issue any additional CFD No. 5 Bonds (except refunding bonds) to be supported by the Special Tax.

Further notwithstanding the above, under no circumstances will the Special Tax levied against any Assessor's Parcel of Residential Property for which an occupancy permit for private residential use has been issued be increased by more than ten percent as a consequence of delinquency or default by the owner of any other Assessor's Parcel within IA B.

#### **E. EXEMPTIONS**

No Special Tax shall be levied on up to 84.8 Acres of Public Property and/or Property Owner Association Property. Tax-exempt status will be irrevocably assigned by the CFD Administrator in the chronological order in which property becomes Public Property or Property Owner Association Property. However, should an Assessor's Parcel no longer be classified as Public Property or Property Owner Association Property its tax-exempt status will be revoked.

Public Property or Property Owner Association Property that is not exempt from the Special Tax under this section shall be subject to the levy of the Special Tax and shall be taxed Proportionately as part of the fourth or fifth step, as applicable, in Section D above, at up to 100% of the applicable Maximum Special Tax for Taxable Public Property or Taxable Property Owner Association Property.

**F. APPEALS AND INTERPRETATIONS**

Any landowner or resident who feels that the amount of the Special Tax levied on their Assessor's Parcel is in error may submit a written appeal to the CFD Administrator. The CFD Administrator shall review the appeal and if the CFD Administrator concurs, the amount of the Special Tax levied shall be appropriately modified through an adjustment to the Special Tax levy in the following Fiscal Year. No refunds shall be given in the current Fiscal Year.

The Council may interpret this Amended and Restated Rate and Method of Apportionment of Special Tax for purposes of clarifying any ambiguity and make determinations relative to the annual administration of the Special Tax and any landowner or resident appeals. Any decision of the Council shall be final and binding as to all persons.

**G. MANNER OF COLLECTION**

The Special Tax will be collected in the same manner and at the same time as ordinary *ad valorem* property taxes; provided, however, that IA B may directly bill the Special Tax, may collect Special Taxes at a different time or in a different manner if necessary to meet its financial obligations, and may covenant to foreclose and may actually foreclose on delinquent Assessor's Parcels as permitted by the Act.

**H. PREPAYMENT OF SPECIAL TAX**

The following definitions apply to this Section H:

**"Construction Fund"** means an account specifically identified in the Indenture to hold funds which are currently available for expenditure to acquire or construct public facilities eligible under the Act.

**"Construction Inflation Index"** means the annual percentage change in the Engineering News-Record Building Cost Index for the City of Los Angeles, measured as of the calendar year which ends in the previous Fiscal Year. In the event this index ceases to be published, the Construction Inflation Index shall be another index as determined by the CFD Administrator that is reasonably comparable to the Engineering News-Record Building Cost Index for the City of Los Angeles.

**"Future Facilities Costs"** means the IA B Public Facilities minus (i) public facility costs previously paid from the Construction Fund, (ii) moneys currently on deposit in the Construction Fund, and (iii) moneys currently on deposit in an escrow fund that are expected to be available to finance facilities costs.

**"IA B Public Facilities"** means either \$15.0 million in 2007 dollars, which shall increase by the Construction Inflation Index on July 1, 2008, and on each July 1 thereafter, or such lower number as (i) shall be determined by the CFD Administrator as sufficient to provide the public facilities to be provided by IA B under the authorized bonding program for IA B, or (ii) shall be determined by the Council concurrently with a

covenant that it will not issue any more Bonds to be supported by Special Tax levied under this Amended and Restated Rate and Method of Apportionment as described in Section D.

**"Outstanding Bonds"** means all Previously Issued Bonds which are deemed to be outstanding under the Indenture after the first interest and/or principal payment date following the current Fiscal Year.

**"Previously Issued Bonds"** means all Bonds that have been issued by IA B prior to the date of prepayment.

**1. Prepayment in Full**

The obligation of an Assessor's Parcel to pay the Special Tax may be prepaid and permanently satisfied as described herein; provided that a prepayment may be made only for Assessor's Parcels of Developed Property or Undeveloped Property for which a building permit has been issued, and only if there are no delinquent Special Taxes with respect to such Assessor's Parcel at the time of prepayment. An owner of an Assessor's Parcel intending to prepay the Special Tax obligation shall provide the CFD Administrator with written notice of intent to prepay. Within 30 days of receipt of such written notice, the CFD Administrator shall notify such owner of the prepayment amount of such Assessor's Parcel. The CFD Administrator may charge a reasonable fee for providing this service. Prepayment must be made not less than 45 days prior to the next occurring date that notice of redemption of Bonds from the proceeds of such prepayment may be given to the Trustee pursuant to the Indenture.

The Special Tax Prepayment Amount (defined below) shall be calculated as summarized below (capitalized terms as defined below):

|                        |                                    |
|------------------------|------------------------------------|
| Bond Redemption Amount |                                    |
| plus                   | Redemption Premium                 |
| plus                   | Future Facilities Amount           |
| plus                   | Defeasance Amount                  |
| plus                   | Administrative Fees and Expenses   |
| less                   | Reserve Fund Credit                |
| less                   | <u>Capitalized Interest Credit</u> |
| Total:                 | equals Prepayment Amount           |

As of the proposed date of prepayment, the Special Tax Prepayment Amount (defined below) shall be calculated as follows:

**Paragraph No.:**

1. Confirm that no Special Tax delinquencies apply to such Assessor's Parcel.
2. For Assessor's Parcels of Developed Property, compute the Assigned Special Tax and Backup Special Tax applicable for the Assessor's Parcel to be prepaid. For Assessor's Parcels of Undeveloped Property (for which a building permit has

been issued) to be prepaid, compute the Assigned Special Tax and Backup Special Tax for that Assessor's Parcel as though it was already designated as Developed Property, based upon the building permit which has already been issued for that Assessor's Parcel.

3. (a) Divide the Assigned Special Tax computed pursuant to paragraph 2 by the total estimated Assigned Special Taxes for IA B based on the Developed Property Special Taxes which could be charged in the current Fiscal Year on all expected development through buildout of IA B, excluding any Assessor's Parcels which have been prepaid, and  
  
(b) Divide the Backup Special Tax computed pursuant to paragraph 2 by the estimated total Backup Special Taxes at buildout of IA B, excluding any Assessor's Parcels which have been prepaid.
4. Multiply the larger quotient computed pursuant to paragraph 3(a) or 3(b) by the Outstanding Bonds to compute the amount of Outstanding Bonds to be retired and prepaid (the "*Bond Redemption Amount*").
5. Multiply the Bond Redemption Amount computed pursuant to paragraph 4 by the applicable redemption premium (e.g., the redemption price - 100%), if any, on the Outstanding Bonds to be redeemed (the "*Redemption Premium*").
6. Compute the current Future Facilities Costs.
7. Multiply the larger quotient computed pursuant to paragraph 3(a) or 3(b) by the amount determined pursuant to paragraph 6 to compute the amount of Future Facilities Costs to be prepaid (the "*Future Facilities Amount*").
8. Compute the amount needed to pay interest on the Bond Redemption Amount from the first bond interest and/or principal payment date following the current Fiscal Year until the earliest redemption date for the Outstanding Bonds.
9. Determine the Special Tax levied on the Assessor's Parcel in the current Fiscal Year which has not yet been paid.
10. Compute the minimum amount the CFD Administrator reasonably expects to derive from the reinvestment of the Special Tax Prepayment Amount less the Future Facilities Amount and the Administrative Fees and Expenses from the date of prepayment until the redemption date for the Outstanding Bonds to be redeemed with the prepayment.
11. Add the amounts computed pursuant to paragraphs 8 and 9 and subtract the amount computed pursuant to paragraph 10 (the "*Defeasance Amount*").
12. Verify the administrative fees and expenses of IA B, including the costs of computation of the prepayment, the costs to invest the prepayment proceeds, the

costs of redeeming Bonds, and the costs of recording any notices to evidence the prepayment and the redemption (the "*Administrative Fees and Expenses*").

13. If reserve funds for the Outstanding Bonds, if any, are at or above 100% of the reserve requirement (as defined in the Indenture) on the prepayment date, a reserve fund credit shall be calculated as a reduction in the applicable reserve fund for the Outstanding Bonds to be redeemed pursuant to the prepayment (the "*Reserve Fund Credit*"). No Reserve Fund Credit shall be granted if reserve funds are below 100% of the reserve requirement.
14. If any capitalized interest for the Outstanding Bonds will not have been expended at the time of the first interest and/or principal payment following the current Fiscal Year, a capitalized interest credit shall be calculated by multiplying the larger quotient computed pursuant to paragraph 3(a) or 3(b) by the expected balance in the capitalized interest fund after such first interest and/or principal payment (the "*Capitalized Interest Credit*").
15. The Special Tax prepayment is equal to the sum of the amounts computed pursuant to paragraphs 4, 5, 7, 11 and 12, less the amounts computed pursuant to paragraphs 13 and 14 (the "*Prepayment Amount*").
16. From the Prepayment Amount, the amounts computed pursuant to paragraphs 4, 5, 11, 13 and 14 shall be deposited into the appropriate fund as established under the Indenture and be used to retire Outstanding Bonds or make debt service payments. The amount computed pursuant to paragraph 7 shall be deposited into the Construction Fund. The amount computed pursuant to paragraph 12 shall be retained by IA B.

The Special Tax Prepayment Amount may be sufficient to redeem other than a \$5,000 increment of Bonds. In such cases, the increment above \$5,000 or integral multiple thereof will be retained in the appropriate fund established under the Indenture to be used with the next prepayment of bonds or to make debt service payments.

As a result of the payment of the current Fiscal Year's Special Tax levy as determined under paragraph 9 (above), the CFD Administrator shall remove the current Fiscal Year's Special Tax levy for such Assessor's Parcel from the County tax rolls. With respect to any Assessor's Parcel that is prepaid, the Council shall cause a suitable notice to be recorded in compliance with the Act, to indicate the prepayment of the Special Tax and the release of the Special Tax lien on such Assessor's Parcel, and the obligation of such Assessor's Parcel to pay the Special Tax shall cease.

Notwithstanding the foregoing, no Special Tax prepayment shall be allowed unless the amount of Assigned Special Taxes that may be levied on Taxable Property within IA B (excluding Taxable Public Property and Taxable Property Owner Association Property) both prior to and after the proposed prepayment is at least 1.1 times the maximum annual debt service on all Outstanding Bonds.

## 2. Prepayment in Part

The Special Tax on an Assessor's Parcel of Developed Property or an Assessor's Parcel of Undeveloped Property for which a building permit has been issued may be partially prepaid. The amount of the prepayment shall be calculated as in Section H.1; except that a partial prepayment shall be calculated according to the following formula:

$$PP = [(P_E - AE) \times F] + AE$$

These terms have the following meaning:

- AE = the Administrative Fees and Expenses
- PP = the partial prepayment
- P<sub>E</sub> = the Special Tax Prepayment Amount calculated according to Section H.1
- F = the percentage by which the owner of the Assessor's Parcel(s) is partially prepaying the Special Tax.

The owner of any Assessor's Parcel who desires such prepayment shall notify the CFD Administrator of such owner's intent to partially prepay the Special Tax and the percentage by which the Special Tax shall be prepaid. The CFD Administrator shall provide the owner with a statement of the amount required for the partial prepayment of the Special Tax for an Assessor's Parcel within thirty (30) days of the request and may charge a reasonable fee for providing this service. With respect to any Assessor's Parcel that is partially prepaid, the City shall (i) distribute the funds remitted to it according to Section H.1, and (ii) indicate in the records of IA B that there has been a partial prepayment of the Special Tax and that a portion of the Special Tax with respect to such Assessor's Parcel, equal to the outstanding percentage (1.00 - F) of the remaining Maximum Special Tax, shall continue to be levied on such Assessor's Parcel pursuant to Section D.

Notwithstanding the foregoing, no Special Tax prepayment shall be allowed unless the amount of Assigned Special Taxes that may be levied on Taxable Property within IA B (excluding Taxable Public Property and Taxable Property Owner Association Property) both prior to and after the proposed prepayment is at least 1.1 times the maximum annual debt service on all Outstanding Bonds.

### I. TERM OF SPECIAL TAX

The Special Tax shall be levied for a period not to exceed fifty years commencing with Fiscal Year 2006-07.
